The applicant is Vulcan Construction Materials, LLC dba 109 Quarry with a mailing address of 642 Theta Pike, Columbia, TN 38041. They seek to obtain an air contaminant permit (Division identification number: 95-0222-11/977082) for construction of a portable rock crushing and sizing operation located at 379 Leeville Road, Lebanon, TN, 37090. This proposed construction would consist of a vibrating feeder, two (2) crushers, a triple deck screen and eight (8) conveyors used to crush and size rock onsite. Wet suppression would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. H. Flores is the assigned Division person.

For the Wilson County "Lebanon Democrat"--publish once on or before Thursday, August 1, 2019.
